

NEW KPPFREE™ PROVIDERS!

We have new providers who have chosen to offer *transparent, bundled, and fair* prices! These services are covered at 100% with no out-of-pocket expense to you!*

Oklahoma Proton Center *Oklahoma City, OK*

Oklahoma Proton Center was the earliest adopter of proton therapy treatments for cancer in the state in 2009 and just the sixth proton center in the country. The center has successfully treated thousands of patients from all over the United States and from fifteen different countries since opening. Our doctors have experience treating patients with a wide variety of conditions, including breast cancer, lung cancer, prostate cancer, head and neck cancer, pediatric cancers, liver cancer, esophageal cancer and many other diagnoses. The facility features four treatment rooms with advanced in-room imaging capabilities.

West Texas Physical Therapy *Amarillo, TX*

At West Texas Physical Therapy, our number one priority is the patient. We strive to provide individualized treatment with hands-on, compassionate care. We do not rush our patients or our clinicians. Rather, we perform comprehensive evaluations and encourage patient input for treatment planning and goal setting.

Jennings American Legion Hospital *Jennings, LA*

Located in Jennings, LA, Jennings American Legion Hospital (JALH) offers state-of-the-art medical care without the hassle of extensive travel. JALH is committed to patients through a mission-driven culture of excellence.

NEW DIRECT LABORATORY PROVIDERS!

Lavaca Medical Center *Hallettsville, TX*

Lavaca Medical Center offers a full-service lab for outpatient diagnostic needs.
